New dancing numbers of magnitude are among the new things and several large musical numbers that it is said are hits will add to the general attractiveness of the piece. ### PERILS OF LAND AND SEA.

Captain Willner's Remarkable Escape Shows What to do in Time of Trouble.

For many years, Captain Willner, says the Times of Gloucester, Mass., was one of the best known seamen in the Gloucester fleet. Catarrhal troubles with which he suffered for 15 years made him dread the nights at sea, being unable to lie down and sleep on account of the constant catarrhal dripping.

Captain Willner went to two different hospitals for treatment, but could get no lasting benefit. He constantly raised yellow and green phlegm and his trouble became so unbearable and nauseating that he was ashamed to go out in company. When despairing of ever getting relief, his wife purchased a Hyomei outfit for him, and trying it before going to bed, he enjoyed the first whole night's sleep for ten years. Captain Willner says "I have used less than two bottles of Hyomei and have been cured by the remedy."

Hyomei kills the germs of catarrh and makes lasting and permanent cures. Sturm & Co. sell Hyomei under their personal guarantee to refund the money if it does not give quick relief.

## Women's Sympathy

Is Proverbial—Clarksburg Women No Exception.

How much we owe to the sympathetic side of womankind! When others suffer they cheerfully lend a helping hand. They tell you the means which brought relief to them that you may profit by their experience. Read the testimony given here by a Clarksburg woman. Mrs. E. J. Anderson, wife of J. R. Anderson, carpenter, of 576 Clay street, says: "I was troubled for three or four years with marked symptoms of kidney complaint, characterized by pain across the small of the back, and a kidney weakness which was annoying and distressing at all times. It was sometimes very hard and the aching which I endured when tooping or reaching for anything. I was suffering an unusually hard attack when I saw Doan's Kidney Pills advertised, and wishing to give them a trial, procured a box at Wells & Haymaker's drug store. I had taken but a few doses when I noticed marked benefit, and I kept on using them until they drove the pain and aching away and stopped the urinary weakness. The least I can do in return is to recommend Doan's Kidney Pills."

For sale by all dealers. Price 50 cents.

### A BRILLIANT

### COMEDY OPERA

is "The Strollers," With Its Popular,

Striking and Catchy Musical Num-

bers Which Will Appear Here.

The clever brains of Messrs Cobb and

Edwards, the successful authors of

"Dolly Grey," and other popular music

Harry Von Tilzer and Bert Adams, have

enabled Messrs. Nixon and Zimmerman

to add to the brilliantly successful

comedy opera "The Strollers" several

melodious gems, all of which have met

with instantaneous success and favor

"The Strollers" will be presented at the

Traders Grand opera house in a few

weeks. Two or three of the most popular

musical numbers of the year are

"Happy, Jappy Soldier Man" and "Good

bye, Little Girl, Good-bye," a rousing

finish to the first act. A particularly

sweet and catchy waltz number with

the captivating title "Teasing" is an

addition to the second act. The great

st. rag-time hit of the year is "Back

Back, Back to Baltimore," rendered by

Maida Snyder, to whom the song has

been dedicated. In addition to these in

terpretations there are the charming

numbers "Strollers We," "Tell Me

Where I Can Find Him," "Loretta,"

"Life On An Automobile," "Look It Up

In The Dream Book," "The Fete of the

Fans," all of which will prove as at

tractive as ever and play their parts

toward making "The Strollers" the

most meritorious of comedy operas.

A word of commendation must be

given to the Nixon & Zimmerman op

erators Company for the excellent man

agement in which they have cast this delightful

musical work for it is none too often

that we have artists of the calibre of

Robert Lett, Joseph Donner, Joe Smith,

Martha, Geo. Lydecker, Lester Brown

Samuel Brobst, Frederick Shea, Gene

Litaska, Maida Snyder, May Bouton

Beatrice Cadiz, Lona D'Arty, Nellie Tay

lor and Bertie Dale in one organization

it is no wonder this firm has achieved

uninterrupted success with the England
